

2009 Summer Youth Music Camp

Sponsored by
Boys & Girls Clubs of Central Texas
Texas Folk Music Foundation
Kerrville Folk Festival

Dear Youth Participant:

Welcome Home!! We say that to encourage you and your friends to return next year. The staff of the **2009 Summer Music Camp** would like to extend a warm Hill Country welcome to camp. We are excited about this being our third music camp and look forward to this being a positive experience for you.

As staff for the camp, we each have goals for ourselves that we hope to accomplish by attending and working there. Some of them are:

- ▶ **Having Fun**
- ▶ **Getting to know other people**
- ▶ **Getting to know ourselves a little better**
- ▶ **Trying new things**
- ▶ **Working and playing hard**
- ▶ **Meeting challenges, both large and small**

This camp will give you a lot of opportunities to have fun, as well as try out some new things or practice old ones. We hope you will use some of your travel time to camp getting to know your adult sponsor, if you don't already, as well as setting some specific personal goals for yourself.

Registration begins at 1 PM on Sunday, July 19th. Orientation and Welcome will be at 5:30 PM ~ Threadgill Theater. With registration, you will receive a brochure that will give you an idea of what is planned for the camp. Once you arrive, you will have time to settle in and set up camp and learn where everything is. The brochure will detail everything scheduled and we think you will find a nice balance of activities that are creative and **just plain fun!** Departure should be around 11 AM on Thursday, July 23rd.

In your registration packet is a supply list that will help you decide what to bring, what not to bring, a map, and a phone number for the camp.

One thing listed on the supply list needs a little explanation. We want you to bring an outrageous piece of clothing (a hat, a crazy colored shirt or pair of shorts). The idea is to create a party mood. This will be worn at the Wednesday Night Open Mic Program.

If you have any questions, feel free to call Jon Charles (512) 525-9037. See you soon!
